Recognizes

RAAM Construction

For

Fair Oaks Court

As a recipient of a 2009 Historic Preservation Award

The members of the Historic Preservation Commission hereby recognize and salute your work on the above-listed property, which contributes to Pasadena's rich architectural heritage as a notable example of historic restoration. This award is given in conjunction with the City's observance of National Historic Preservation Month. The Commission is undertaking this project to raise public awareness about the benefits of historic preservation by recognizing rehabilitation and restoration projects throughout the City.
